#### The Membership Committee Report

The Membership Committee took a hiatus for two months but met again on July 12<sup>th</sup>. During the last year, with the help of League members, their work has garnered approximately 20 new artists. Now the Committee is preparing again for the upcoming League season with the goal of recruiting another 20 new members. The Committee would again like to ask for the help of the League in this recruitment goal. Please invite friends to attend a meeting with you. Hopefully those friends will see the benefits of the League as well as the friendliness of its members and want to join.

#### Quotation from *The War of Art* by Steven Pressfield

##### Resistance and Self-doubt

"Self-doubt can be an ally. This is because it serves as an indicator of aspiration. It reflects love, love of something we dream of doing, and desire, desire to do it. If you find yourself asking yourself (and your friends), "Am I really a writer? Am I really an artist?" chances are you are. The counterfeit innovator is wildly self-confident. The real one is scared to death."
