**Quotation from *The War of Art*  
By Steven Pressfield**

(cont. from August – from the story about woman who was severely ill and quit her job to follow her passions)

"There's a postscript. Woman's [illness] goes into remission. Is that what it takes? ...[T]o stare [such circumstances] in the face to make us stand up and confront Resistance? Does Resistance have to cripple and disfigure our lives before we wake up to its existence? How many of us have become drunks and drug addicts, developed tumors and neuroses, succumbed to painkillers, gossip, and compulsive cell-phone use, simply because we don't do that thing that our hearts, our inner genius, is calling us to?"
