Wonder Woman

Directed by Patty Jenkins

Wonder Woman is a 2017 American superhero film based on the DC Comics character of the same name, distributed by Warner Bros. Pictures. It stars Gal Gadot, Chris Pine, Robin Wright, Danny Huston, David Thewlis, Connie Nielsen, and Elena Anaya. Jenkins's role as director makes her the first female director of a live-action, theatrically released comic book superhero film. After American pilot Steve Trevor crashes and is rescued by the main character, he tells about the ongoing World War (World War I). Diana (Wonder Woman) then leaves her home in order to end the conflict.

Wonder Woman was released in the United States on June 2, 2017. It received largely positive reviews from critics, being praised for the direction, performances, action sequences and

musical score. The film set numerous box office records, including becoming the highest-grossing film directed by a woman, the biggest domestic opening for a film directed by a woman, the highest-grossing superhero origin film domestically, and the largest opening for a female-led comic book film. *Wonder Woman* is also the fifth-highest-grossing superhero film domestically and 20th-highest-grossing film in the United States. As of October 2017, the review aggregation website *Rotten Tomatoes* has listed the movie as #1 on its list of the 50 Best Superhero Movies of All Time. A sequel, *Wonder Woman 2*, is set to be released on December 13, 2019.

From the War of Art – Steven Pressfield – provided by Mariann Kearsley

A PROFESSIONAL REINVENTS [HER]SELF Goldie Hawn once observed that there are only three ages for an actress in Hollywood: "Babe, D.A., and Driving Miss Daisy." She was making a different point, but the truth remains: As artists we serve the Muse, and the Muse may have more than one job for us over our lifetime. The professional does not permit [her]self to become hidebound within one incarnation, however comfortable or successful. Like a transmigrating soul, [she] sheds her outworn body and dons a new one. [She] continues [her] journey.
