Facilitator: Mariann Kearsley

This "top-of-the-Capitol" show is the third such exhibition coordinated for the FSU MoFA Artists' League by long time member Terrie Corbett in coordination with the Division of Cultural Affairs. Previous exhibitions were mounted in 2003 and 2015. The League wishes to express much gratitude to Terrie. Coordinating an exhibition of this caliber takes several years to develop and implement. As an artist, she herself works in multiple media, kiln-fired glass, encaustic, and enamel.

*The Way We See It!* includes 65 pieces by 35 League artists. The media is diverse, inclusive of fine art and fine craft, an apt representation of the League to the Florida public. Work shown on the dramatic 22<sup>nd</sup> Floor of the Capitol Building gives League artists greater exposure since it is often viewed by Floridians and others who travel to Tallahassee for business and as tourists.

Quotation from *The War of Art*

By Steven Pressfield

"THE MAGIC OF MAKING A START"

Concerning all acts of initiative (and creation) there is one elementary truth, the ignorance of which kills countless ideas and splendid plans: that the moment one definitely commits oneself, then providence moves too. All sorts of things occur to help one that would not otherwise have occurred. A whole stream of events issues from the decision, raising in one's favor all manner of unforeseen incidents and meetings and material assistance which no man would have dreamed would come his way. I have learned a deep respect for one of Goethe's couplets: 'Whatever you can do, or dream you can, begin it. Boldness has genius, magic, and power in it. Begin it now.'
