Global Warning

Facilitated by Mariann B. Kearsley

This Summer Annual – the 32nd! – will be on display through July 21. Members will discuss their works in the exhibition. Each member will talk about any facet of his/her work: meanings, techniques, problems, solutions, or imagery.

Poster Designs by Bill Humphries.

The tour will include *Life Stories*, the exhibition of the Life Stories Guild coordinated by Mariann Kearsley.

LIFE STORIES

Making art is not just about the skill of rendering an image.

The Life Stories Guild calls you to artistically tell your life story. Discussions go beneath the surface to focus on life experience, memories of events and exploration of emotions. Sketching develops visual vocabulary, personal style, and ideas for related and more developed artwork.

Picasso said, "Every piece of art is a self-portrait."

From *the War of Art*
by Steven Pressfield

"The Knights of the Round Table were chaste and self-effacing. Yet they dueled dragons. We're facing dragons too. Fire-breathing griffins of the soul, whom we must outfight and outwit to reach the treasure of our self-in-potential and to release the maiden who is god's plan and destiny for ourselves and the answer to why we were put on this planet."
