The Artist's Life, A Roundtable Series: *Life Stories*

This 16th edition of the *Artist's Life Series* focuses on you the artist. Discussion will revolve around the following question:

"How has your life story influenced your art?"

This was a great introduction to each member present. We each had three minutes to talk about the experiences in our lives and how they shaped our art or direction toward becoming an artist. This was a favorite meeting for many of us.

Our next meeting, May 1st is a field trip to the studio of Terrie Corbett. 2811 Wood Hollow Court, Tallahassee. The meeting is from 7:00 – 9:00pm. The topic is "Waxing Poetic: Terrie Corbett's Encaustic Techniques".
