SUBMISSION

A maximum of ten work sample images may be submitted. A current resume is required, as well as a description of your proposed design for the mural. Submitting artists should consider the following:

- What would you like to see in this space?
- What kinds of imagery do you think is currently missing from the MoFA campus?
- In this moment when the outdoors are even more vital than ever, what can we add to this space to make it more accessible?

To enter, please send an email to mofa@fsu.edu attaching a current resume, work sample images, and your proposal description for the design. In addition to your ten work sample images, you may also include images for your proposed design. Each image file should be labeled with your last name and title of the work sample or proposal image. If your files are too large to attach to an email you may use the FSU dropbox service to submit your materials: <https://dropbox.fsu.edu/>
